

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK

STANLEY FULLER,

Plaintiff,

-against-

ROAR MONEY,

Defendant.

22-CV-5284 (LTS)

ORDER DIRECTING PAYMENT OF FEE  
OR IFP APPLICATION

LAURA TAYLOR SWAIN, Chief United States District Judge:

Plaintiff brings this action *pro se*. To proceed with a civil action in this Court, a plaintiff must either pay \$402.00 in fees – a \$350.00 filing fee plus a \$52.00 administrative fee – or, to request authorization to proceed without prepayment of fees, submit a signed IFP application. *See* 28 U.S.C. §§ 1914, 1915.

Plaintiff submitted an IFP application, but his responses do not establish that he is unable to pay the filing fees. According to the IFP application, Plaintiff has no sources of income, no resources, no expenses, and no debts. Because Plaintiff fails to provide information on how he pays for his living expenses, the Court is unable to conclude that he does not have sufficient funds to pay the relevant fees for this action.

Accordingly, within thirty days of the date of this order, Plaintiff must either pay the \$402.00 in fees or submit an amended IFP application. If Plaintiff submits the amended IFP application, it should be labeled with docket number 22-CV-5284 (LTS), and address the deficiencies described above by providing facts that explain how he supports himself and to establish that he is unable to pay the filing fees. If the Court grants the amended IFP application, Plaintiff will be permitted to proceed without prepayment of fees. *See* 28 U.S.C. § 1915(a)(1).

No summons shall issue at this time. If Plaintiff complies with this order, the case shall be processed in accordance with the procedures of the Clerk's Office. If Plaintiff fails to comply with this order within the time allowed, the action will be dismissed.

The Court certifies under 28 U.S.C. § 1915(a)(3) that any appeal from this order would not be taken in good faith, and therefore IFP status is denied for the purpose of an appeal. *Cf. Coppededge v. United States*, 369 U.S. 438, 444–45 (1962) (holding that appellant demonstrates good faith when seeking review of a nonfrivolous issue).

SO ORDERED.

Dated: June 23, 2022
